LET'S VOLUNTEER DAY

Building Big Play for Little Hands

Trinity Day School Natural Playground Enhancement Project

Date: August 8, 2026
Time: 9:00 a.m. – 1:00 p.m.

Join us as we build, plant, mulch, and enhance our natural playground for the children of Trinity Day School. Together we can create an outdoor space where little learners can explore, imagine, and grow.

Many hands make light work—come volunteer and help us make a lasting impact for our children and community!
